Dear Dr. Stephen & Dr. Julie Scott,

Thank you for your recent newsletter. We really appreciate
the excellent treatment, care and consideration we
receive at your practice, from you and your staff.

As you know we have been coming to Rosehill
dental practice a long, long time and our children
and now our grandchildren. They feel comfortable and
reassured with their treatment at this practice.

If any of our friends are having dental problems
we always recommend you, in fact if anyone is
discussing dentists, we recommend you.

Yours sincerely
